

The Chancellor's Sheep & Wool Showcase

Clermont State Historic Site

Saturday April 30, 2022
11am - 4pm

Vendors and Demonstrators Application

The Chancellor's Sheep and Wool Showcase is back and better than ever for 2022!

Registration is now open, so don't miss your chance to stake out your spot on our shopping concourse.

The Showcase continues to be a steady draw for the family, craft and cultural communities, not only locally but throughout the Northeast. From people who come back year after year to people who newly discover the event every year the audience for the Showcase is vibrant and ever-expanding. The Showcase is a family oriented event offering hands-on activities and new experience for all ages, in addition to great shopping. As the first fiber festival of the year in the region we also offer the chance to capture cabin fever shoppers on their first excursion.

If you have an interest in participating in this year's showcase as a vendor, please fill in the information below and return it to us

Checks should be made out to NHT. All checks are non-Refundable.

Please note, we will not be offering tents this year

Clermont State Historic Site follows all NYSDOH Covid-19 guidelines regarding gatherings, activities, and events and will provide vendors, performers and demonstrators with current Covid-19 guidelines as we receive updates and prior to the date of the event.

New entries please send photos or a website where we may see examples of your work. The form may be sent to The Chancellor's Sheep & Wool Showcase, Clermont State Historic Site, One Clermont Ave., Germantown, NY 12526. If you have questions about this event, please call Clermont State Historic Site at (518) 537-4240. Deadline for entry is March 25, 2022.

Rain Date: In the event of steady rain on April 30, 2022, the Sheep & Wool Showcase will be rescheduled to Sunday, May 1, 2022. This policy is to protect your commitment of time and merchandise. As always, all weather decisions will be made by 4pm on the Friday immediately preceding the event using the Weather Channel and NOAA predictions.
